Dear Hosts, Guests and Revelers,

Hundreds of phone calls, hundreds of pieces of mail, hundreds upon hundreds of volunteer hours later, NIGHT OF 100 PARTIES is finally here. And as we look at the goals we set for ourselves on our invitations (feels like we did them 100 years ago), we'd like to share the news of our successes with you...

We were bound and determined to reach 100 parties this year: quite a jump from last year's 66. We clocked in at an amazing 107 — smack in the middle of our host kick-off party, where we simultaneously announced the passage of the statewide gay civil rights bill in the Assembly for the first time ever! Will we raise $100,000 tonight? It looks like we very well may, which would surpass last year's fundraising efforts by a good 20%.

As to our quest for 100% of our civil rights. The passage of the bill in the Assembly by no means constitutes reaching the 50% mark. The push through the Senate will be an even more challenging, grueling fight, and we will need each other's support throughout the struggle. The money we've *all* helped raise tonight will go a long way toward that struggle, and we thank you from the bottom of our hearts.

As you read this journal, lesbian and gay friends all over the state are celebrating NIGHT OF IOO PARTIES in myriad ways. Hosts are clearing dishes in Manhattan, club kids are riding the subway in from Brooklyn, women are boarding the ferry from our first party ever in Staten Island, all to attend *Party 101,* our huge New York City After Party. They're gathering for several different parties on the lakes and in the hills upstate in Ithaca, at our first party ever in Elmira, and in Rochester, more than fifteen parties will make it our second biggest venue statewide.

Wherever you are right now in the Empire State, the Empire State Pride Agenda and the committee of NIGHT OF 100 PARTIES wish all of you this — that 100% of your dreams come true. Starting tonight.

Our thanks and our best wishes,

Dear Pride Agenda Supporter,

Welcome to the fifth annual "Night of 100 Parties." Thank you for your support and for joining us this evening as we celebrate the growing political success of our community across this state.

Tonight, for the first time in the event's history over 100 parties are being held all across the state. Lesbians, gay men and their friends from Albany, Ithaca, Kingston, New York City, Easthampton, Westchester, Ancram, Elmira and Rochester will be joining together to support the Pride Agenda. These 100 Parties will raise over $100,000 and provide funding for a major offensive in our effort to pass the statewide lesbian and gay civil rights bill.

For the first time in 22 years, we have a real chance to pass the civil rights bill. Having passed the Assembly last month, the battle moves to the Republican controlled State Senate where the fight will be much tougher. Our hopes for passage there though are on the rise. And your support tonight will ensure that all is done to wage the needed fight.

With Amendment 2 passing in Colorado, and the firestorm of controversy surrounding gays in the military, it's clear that homophobia did not go away with the election of Bill Clinton. Here in New York, it's up to us to hold the line against encroaching bigotry. In a national context, passage of the civil rights bill here in New York State becomes all the more important.

We must send a victorious message heard throughout the country that the march for lesbian and gay rights is moving ahead. We are working not only to create the day when we all can live free from the fear of discrimination, but also for the day when our relationships and families are accorded the recognition and respect they deserve. Our voices are no longer silent and our power no longer underestimated.

I thank you again for your support tonight, especially at this critical time. The Pride Agenda has come this far only because the support received from you and others has been vitally important to funding our efforts. Enjoy tonight in celebration of past victories and in anticipation of more to come.

Sincerely,

Richard D. Dadey, Jr.

Dear Mr. Dadey:

It gives me great pleasure to once again extend warm congratulations to the Empire State Pride Agenda on your Fifth Annual "Night of 100 Parties."

The Pride Agenda deserves applause for its leadership in pursuit of lesbian and gay civil rights and a more equal and inclusive New York State. Such efforts on behalf of the lesbian and gay community serve as a model of effective grassroots political activism and citizen empowerment.

Empire State Pride Agenda

▼ WHY WE MATTER TO YOU

The Pride Agenda was formed in 1990 through a merger of FAIRPAC and the New York State Gay and Lesbian Lobby. Since then we have become the leading political and legislative advocate for the lesbian and gay community in New York State. Our work and successes include:

LOBBYING

We maintain a legislative office in Albany and lobby on behalf of key legislation impacting lesbian and gay civil rights, health and other matters.

POLITICAL ACTION

Our PAC makes financial contributions to candidates for state and local office who pledge to support or legislative agenda.

GRASS ROOTS MOBILIZATION

We organize a statewide network of activists who mobilize constituent response when lawmakers need to hear form lesbian and gay constituents.

ADVOCACY

We are leading spokespeople in the media and among government agencies for issues of concern to the lesbian and gay community.

ISSUES

We work towards lesbian and gay civil rights protections at the state and local level, domestic partnership legislation for same-sex couples, hate crimes legislation, increased funding and improved health care for people with AIDS and HIV and other issues.

KEY VICTORIES IN 1992

In our second year after the merger of FAIRPAC and New York State Lesbian and Gay Lobby, the Pride Agenda is fulfilling its goal to give the lesbian and gay community the most powerful voice possible in state and local politics. Here is a summary of our 1992 achievements:

LEGISLATIVE

▼ Brought the Gay and Lesbian Civil Rights Bill closer to passage than ever before -- winning support of 78 members in the State Assembly.

▼ Persuaded Assembly Speaker Saul Weprin to commit to working with us to pass the Civil Rights Bill in the Assembly as early in 1993 as possible.

▼ Spearheaded the effort to form a broad based coalition of groups to work together to pass domestic partnership legislation in New York City.

POLITICAL

▼ Contributed over $31,000 to 66 endorsed candidates this election year, including four Republicans.

▼ Helped re-elect 12 supportive Assembly members who faced tough challenges in tight races, 2 new state senators and 4 new members of the State Assembly, thereby increasing the number of supporters of the Lesbian and Gay Civil Rights Bill.

▼ Secured the powerful support of the Republican Senate Majority leader, Ralph Marino, for civil rights legislation.

CONSTITUENT FINANCING

▼ Launched our Senate District Coordinator program, creating a network of committed activists working to maximize our community's political clout in key corners all around the state.

▼ Distributed 30,000 postcards across the state for constituent use in pressuring legislators to support the Civil Rights and bias violence bills.

▼ Conducted the first statewide lesbian and gay political organizing and skill-building conference, the Jim Perry leadership Institute, drawing over 200 activists from across the state.

FINANCIAL

With over 8,000 supporters statewide, the Pride Agenda enters its third year on solid financial ground.

▼ GOALS FOR 1993

The Pride Agenda has six priority goals for the important year ahead:

GOAL #1 ✔ 2/1/93

Pass the Lesbian and Gay Civil Rights Bill in the Assembly early in the legislative session.

GOAL #2

Gain greater support for the Civil Rights bill in the State Senate—possibly leading to passage.

GOAL #3

Expand the Senate District Coordinator Program even further, increasing the statewide lesbian and gay constituent network involved in lobbying legislators and volunteering for political campaigns.

GOAL #4

Contribute $35,000 to endorsed candidates running for local office in cities and towns across the state.

GOAL #5

Work more actively on a wider range of issues important to the lesbian and gay community, like health care and family leave.

GOAL #6 ✔ 3/1/93

Work towards passage of a comprehensive domestic partnership bill in New York City.

1993 PUBLIC POLICY AGENDA

CIVIL RIGHTS

▼ Secure passage of the comprehensive Lesbian and Gay Civil Rights Bill which will prohibit discrimination against lesbians and gays in employment, housing, public accommodations, education and credit throughout the State of New York.

BIAS-RELATED VIOLENCE

▼ Support efforts to have the Legislature pass bias-related violence legislation. Such legislation would enhance penalties for crimes motivated by animosity toward a person's race, color, creed, national origin, sex, disability, age or sexual orientation. It would also establish a systematic statewide method of data collection about bias motivated crimes.

HEALTH CARE

▼ Seek passage of legislation that would reverse the December 1990 ruling of the New York State Court of Appeals which overturned an insurance regulation prohibiting insurers from requiring applicants to submit the results of an HIV test.

▼ Support legislation that responds to particular economic and health care needs of lesbians and gay men by providing comprehensive and universal access to health care like the bill known as New York Health.

▼ Seek state funding levels for AIDS that adequately address the growing needs of people with AIDS and the systems intended to support those with AIDS.

FAMILY-RELATED ISSUES

▼ Support legislation that would provide legal recognition of domestic partnerships, regardless of sexual orientation, which would include spousal rights traditionally accorded a partnership recognized through marriage.

▼ Secure a change in New York State insurance regulations which would add domestic partners of employees to the list of persons eligible for health insurance coverage.

▼ Support legislation to provide family and medical leave protection to all families, including lesbian and gay families.

▼ Oppose legislation which aims to define family in a narrow sense and excludes the recognition of lesbians and gay relationships as family.

▼ Push for greater enforcement of state regulations which allow lesbians and gays to adopt and/or serve as foster parents.

▼ Support legislation that precludes the consideration of sexual orientation of the parents when deciding the "best interests of the child" in child custody cases.

EDUCATION

▼ Support efforts to include lesbian and gay culture in a multi-cultural curriculum of inclusion for teachers and students in New York's public policy funded schools.

FREEDOM OF EXPRESSION

▼ Oppose efforts by government bodies to use funding or other means to censor any form of art, particularly those which depict gay and lesbian lives.

PRIVACY

▼ Support efforts to maintain a woman's right to reproductive freedom and oppose efforts to restrict a woman's right to control her body.

▼ Support legislation that would prohibit health and life insurers from inquiring into the sexual orientation of persons seeking coverage as part of the underwriting process.

▼ HELP US PASS THE LESBIAN AND GAY CIVIL RIGHTS BILL ▼

The Lesbian and Gay Civil Rights Bill was first introduced in the state legislature 22 years ago. But it never won a vote until February 1, 1993, when Pride Agenda forces moved it to passage in the state Assembly. Here's why we need this bill and how you can help make it a law.

WHAT THE BILL DOES

The bill simply adds "sexual orientation" to the existing state civil rights law which already protects New Yorkers from discrimination on the basis of age, race, creed, color, religion, national origin, sex, disability or marital status. It creates no "special rights" whatsoever.

WHY WE NEED THE BILL

Gays and lesbians across the state routinely lose their jobs, homes, insurance and other rights solely on the basis of real or perceived sexual orientation. This bill would make such discrimination illegal across New York State.

WHO OPPOSES THE BILL

Homophobic activists, the state Conservative party, the Catholic Conference and groups from the religious right oppose the bill because they oppose gays and lesbians. Homophobic distortion campaigns were responsible for overturning similar laws in Colorado.

HOW WE CAN PASS THE BILL

Support from you and other state residents will enable the Pride Agenda to lobby Senators, mobilize constituent pressure, inform journalists, conduct research and counter distortions from the religious right.

WHAT YOU CAN DO

Contact your state Senator. If you don't know who your state Senator is, call the Pride Agenda at 212/673-5417.

The Pride Agenda is a membership organization with 8,000 members statewide. We can only be as strong as you make us. Join today.

EMPIRE CLUB

The Empire Club is the major donor program of the Empire State Pride Agenda recognizing those donors who pledge to contribute $600 a year or more.

The levels of recognition are:

$600 • District Leader ▼ $1,200 • Legislative Leader ▼ $1,800 • Capital Council
$2,500 • Governor's Circle ▼ $10,000 • Presidential Circle

At the beginning of 1991, the Pride Agenda had no more than 12 major contributors. Over the past two years, the number of major donors has grown tremendously to over 110 members. Their support has provided the cornerstone for funding many of the Pride Agenda's initiatives. ▼ Those supporters listed here are those who have earmarked their contributions of at least $600 to the major donor program over the past 12 months.

Join the Empire State Pride Agenda for an evening with the most popular man in New York

JEFFREY

On March 24, 1993, the Pride Agenda has reserved the entire Minetta Lane Theatre for a private performance of what Frank Rich hails in *The New York Times* as "The funniest play of this season and maybe the last season, too." Friends of the Pride Agenda will enjoy not only the hottest ticket off-Broadway or anywhere else in Gotham, but a theatergoer's cocktail party with the cast directly following the performance.

It's not easy to book a date with JEFFREY. Why not do it with your friends?

All tickets are $75 per person, with all proceeds benefitting the Empire State Pride Agenda, New York's statewide lesbian and gay political voice. This year, the Pride Agenda is leading the effort to pass the statewide lesbian and gay civil rights bill. Each ticket you buy helps each one of us.

To order tickets by phone, call the Pride Agenda at 212-673-5417. VISA, MasterCard and personal check accepted.
